

## ❖ Parking Permit

Ideal for private parking lots, condominiums or assisted living residences, the plastic parking permit, hooked to the car's rearview mirror, eases management of the lot and assures the security of the users.

It can be numbered for easy issuance and recovery.

We offer 2 types of parking permit:

Printed on 0.030" plastic

More upscale and durable product.

More expensive product.

Printed on a label made of vinyl and affixed to a form made of cardboard laminated on both sides.

Ideal for smaller quantities or if the parking permits are renewed frequently.

More economical product.
